

TREASURE ISLAND ACTIVITY SHEET

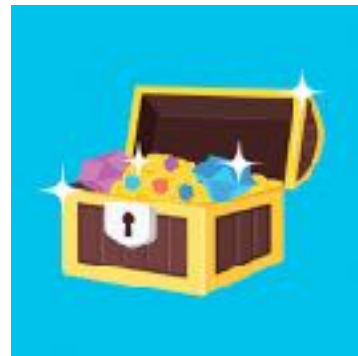

Hello, PACE Explorer!

You can choose one of the activities below (or all of them!) to explore your Audio Adventure on a Treasure Island!

Draw your own Treasure Map

For this activity you will need a piece of paper and some colourful pens, pencils or paints!

In your adventure, you used a map to help you find your treasure! Can you draw your own treasure map? You can make it up or use your home or garden for inspiration and maybe even set up a treasure hunt of your own!

Build your own Treasure Box

For this activity you will need some supplies for arts and crafts - scissors, glue, pencils or paints, paper and any junk to build!

What did your Treasure Box look like? Can you make your own Treasure Box? How would you decorate it? What treasure would you keep it in? And more importantly, where would you hide it?

Write about your Treasure Island Adventure

For this activity you will need a piece of paper and a pen or pencil!

Can you write your own Treasure Island adventure? Grab a pen or pencil and see what might happen next...maybe you meet some pirates on the way home? Or discover another island? It's all up to you!
